

DECLARATION OF CONFORMITY

Product:	MULTIDRIVE
Description:	1-2-3 PH Thyristor Unit
Main Power Supply:	480-600 Vac
Nominal Current:	25-45-75-100-125-150-225-275-300-350 400-450-500-600-700-1100-1600-2100-2600A

Electromagnetic Compatibility and Low Voltage Directive

C.D. Automation srl declares that above products have been resulted satisfactory for all below tests:

- EN50081-2
Generic Emission Standard-Industrial environment
Radiated and conducted EN55011
Enclosure
AC Mains
- EN50082-2
Generic Immunity Standard-Industrial environment
Electrostatic Discharge EN61000-4-2
Radiated, radio frequency, electromagnetic field immunity test EN61000-4-5
Electrical fast transient / burst
Voltage dips / voltage interruptions

The product respects the relevant specification in terms of protection as expressed by the directive 89/336, 73/23, 93/68 ECC (EN60947-1 and EN60947-4-3)

All MULTIDRIVE product line compliant and carry the CE mark.

Test was carry out by competent body / Accredited Laboratory.

Cantalupo di Cerro Maggiore, 02/07/03
